TRIBUTE TO BISHOP CLARK

"We are shaped and fashioned by what we love."—Goethe.

Bishop Amasa L. Clark has always loved his family, his church, and his community. He has not traveled to far away places to live in a big world, but he has found a veritable universe in his own home town.

He is a quiet, soft-spoken man who has lived the parable of the Good Samaritan, having a real human heart with divine love in it.

He has found peace of mind in this troubled, hurrying world. His life is fully filled with graciousness, and greatness and richly filled with personal living; a man of tremendous character, intelligence and wisdom: a devotee to the principles of his church.

Bishop Clark is not one to coast toward a heavenly reward, as some older folk do, but he will keep on growing into the tomorrows of immortality.
