

P.M. and the fare will be
\$62.7.

In the afternoon Dr. John A. Wedge talk on "The Harmony of Science and Religion".
Was with Dorothy for the evening so went to see a show.

Nov. 23.

Attended classes all day and was especially interested in an inspiring talk given by David O. McRay. He is one of the truest and finest examples of a Mormon teacher I have ever seen. Spent the evening with Dorothy at her place.

Nov. 24.

Went through the Temple and did endowment work for Michael Chevalier now dead.

This work was done as a help to people out in our mission and was not on my ancestor.
