

I am known at John June the 30

^{relief}
Threes is a tear of ^{my} weel
a tear of rapture & of grief
the feeble heart alone can know
what soft emotion bid it flow

Threes is a spot to me most dear
where I can go & weep
a spot for which my tears can flow
close by my husband side
where I expect to lie
in a few more months or years
Oh then my happy soul will say
my Jesus has done all things well
