

Drytown
Dec 1/95-

Dear Br. & F. C.

Your very
interesting letter from
Oranhow N.Y. just received
I was surprised at the Res-
olutions offered - for the God
Standard - as nothing short
of free Coining of Silver
will release the Co from
this fearful opinion.

Our folks all well on the east
Mrs Danglefs & Co have returned
Same time ago our Sister
Rhoda - & Homer - & all well
I wish I could have been
with you in the Convention
but will try to meet you next
