

working for "Gene" Hayes on a power
~~trailer~~ haler. We were out most of
 the winter near Groen and Alexander,
 Idaho. The next summer I worked
 for Walter on the farm. (H) During the
 summer I thought of college but
 couldn't seem to find a way to attend.
 However, something did come my way.
 Before I start a description of my
 college days, however, there are a
 few incidents and thoughts about
 my earlier life I would like to
 relate.
