

Women's Liberation - LDS women have always felt liberated.

Since turn of Century ^{before} LDS women have been pursuing higher education & have made significant contributions in fields of Education, Medicine, ^{social sc.} Arts, ^{business} Drama, Dance & Music politics.

Some did not have opp. for mg + fam. - others did & were successfully combined motherhood & their public contrib. - generally for purpose of making poss. additional opp for their husb + ch. as missionary service, business, help dev. of talents & higher educ. Not afraid to make own opportunities.

But their primary consideration & goal is to be for the perfect ideal help-mate to a worthy husband & with him lay the foundations for a happy family unit solidified by mutual respect and love and a desire to prepare + contribute + give of ones self toward the perpetuation of a better world to live in. all that is just and humane in the world. ^{since} Taught to try to be satisfied on husb. salary. Give all poss. attention to primary role of wife + mother. Some have been successful. comb. both careers but only those with unusual ability & strain can be sure.

It started with (2) both careers but only those with unusual ability & strain can be sure. gr m Lois A Smith B. - dau. of a Dr. - well read, intell - musical m. June A B Smith teacher + Dr. wanted to help solve peoples probl.

7 children - all college ed - 4 miss sons 2 of 3 dau self Dr. S. Clark - dev. talents part time to assist miss support + coll ed. ^{at diff times when needed} 49 yr all happily md. 9 ch. 8 coll ed. 5 miss - all happily md. ^{6 (1 Navajo)} 2 f. Indian youths (temporary opp)

1975 (31 yr) 3 dau - all worked dur 1st yr of my teach, bus. suc
