Sweet-meat -

I like my Hotel
stationery better than yours
so here a sample before I
leave this memorable place.

T. K. & I got married
here last night, Vera & Ruth
Baxter as witnesses. Hope
you will take this all as
I would like it to be
taken.

There was a dance
in the town ball-room
afterward so we dropped in
but as it was a private
wedding dance (quite appropos)

so we didn't stay.

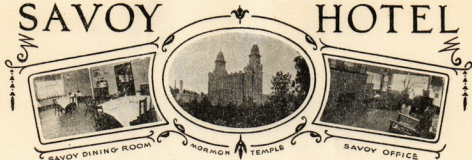

It's a beautiful little city of about 2300 - many trees and almost the prettiest temple & grounds I have seen. It's awfully large & has little wall & turnouts & stairways all around in different places on a high hill. Also a beautiful hilltop covered with pines, firs, & spruce.

The near-full moon rising above them was beautiful.

We arrived here about 6.45 PM last night too late for our apptmt. with the Temple workers so we had to wait till after their stake conference

then Pres. Young of the Temple
& several witnesses came up at
10 P.M. & did took us in for the
sealing. Vera was married
for 18 names, Ruth 10 & I 15 of
T.K.'s ancestors. He was very
pleased to have it done. Was
coming here on a business trip
hence we decided to kill 2 birds
with one sling.

Not a bad place to live-
here. But duty calls elsewhere,
6.30 Am. Sun. now & will
returning for to S.L.C.

Granite Stake Conf. today.
I feel a guppe coming on so
maybe I'll have to sleep all day.
We got only 3 or 4 hrs last

night.

Am I still to expect
you home next week-end or
must I put down my
expectations for the present.

Somehow I hope you
won't be staying but I guess
that's a selfish thought.

How is Sadler doing
without the 'Jackson' Hope I'll
get to meet them all some
time in the future.

Vera Ruth & I have been
cutting up a la carte or something
& it's been a grand old trip.

Love for yourself
Dorothy.

Helo & Elsworth, how do you? Vera.
