

How to Build Strong Personal Testimony

1. Trying to live Gospel Principles
 - W & W
 - Tithes, offerings, contrib.
 - Chastity
 - Pers. & Family Prayer
 - Living 10 Commandments
 - Sharing Gosp with otherseither by serving as a missionary
or serving in needed church capacities

2. Exposing self to Spiritual enlightenment & encouragement thru Church & Institute Sponsored gatherings, good books, clean living companions, reading scriptures.

(Observation) - If we don't claim sufficient intelligence to create for ourselves the things found on this earth - we automatically assume there must be a higher intelligence.

And this personage we call God, at FF must also have complete knowledge of all that is best for our welfare - physical, mental, emotional & spiritual.

Hasink left us to wander but sent Revelat^{ions} to his representatives on earth for our specific benefit & guidance.
How better could he show his love & concern.
