Dear Grandma,

I'm sorry I have been so long in answering. I certainly enjoyed & appreciated your letter & will not be so negligent of my correspondence after this.

It has been so long now since we got home that everything that happened last winter seems like a dream. It always was a dream till last year & I can't convince myself yet

that the dream has
materialized.

I'm glad you are
able enough to resume
your work in the Mesa
Temple and hope you
will long have the pleasure
of doing so.

I would like to be down
there this time of year
when it isn't too warm.

Our weather has been
very mild & pleasant until
to-day it rained, a north
wind came & brought

snow.

Within a few hours everything was white with a blanket of snow nearly a foot deep. To-night it is so cold & slushy that I didn't go to church but Oliver & Father have gone.

Is Myrtle working in Phoenix now? I'm glad to know she is down there. It will be a change from what she has been doing I guess.

How does Foss enjoy his studies in Provo? I would write to him if I had his

address.

I am taking a post-graduate course in Art by Correspondence, & have a position here as advertiser & designer for a large ~~copan~~ company. T. Eaton Stores Also teach a Primary & S. School class so am kept quite busy.

Am 10 lbs less than I was in Mesa but enjoying robust health.

You asked if Prince Charming was glad to see me when I got home. All of my friends were glad to see me back but there was no Prince Charming to greet me.

I haven't yet met him, but when I do I will surely tell you about him Grandma dear. I am just hoping I will be worthy of him. If I could get one to match Aline ~~to~~ Marvin I would be proud. They are certainly two wonderful brothers & I couldn't do without them. I am thankful Marvin is having a missionary experience. I know he will accomplish much good.

Before Marvin left, mother read to us the Patriarchal blessing that Grandpa Smith gave Dad. Since then I have had a greater understanding of his mission here on the earth & it makes me feel very incompetent in living worthy of him. My parents are certainly two of the most blessed spirits on earth & I am thankful for you as a Grandmother.

I don't feel capable of expressing any more. It is late & I must retire so will write again & also get the children to do so. Your devoted granddaughter Dorothy

Dorothy Smith.
