Dear Cousin John:

We appreciate the work you've done on the Ezra Thompson Clark Family Organization Biannual Reunion. Unfortunately, other commitments make it impossible for the Norman W. Clark family to attend.

Stanford J. Clark is the family representative for us, and he has made several attempts to get in touch with you. He regrets you've missed each other.

Enclosed is our family's updated information for the Ezra T. Clark Family Directory. Thanks for all your work on this project as well.

Warm regards,

Carol L. Clark, Ph.D.
