Dear Oliver, Barbara & family -

Did I tell you how thrilled we were with the Bushman publication? Lenore Carpenter asked me (in Mesa) to extend her special thanks to you & Marvin also.

He had a wonderful 3-wk. vacation in Austin, Mesa & Page with side trips courtesy Bob & family to Houston, San Antonio & Mexico.

Will have a chance to get even with them this summer tending for them during a tour of Israel with Seminary & Inst. teachers services.

Are you going to have any time to check on possible entries from your family in the S.L. Tribune Hist. Soc. Bicentennial Contest?

Have asked the Trib. to mail you a copy of contest rules etc. You may want 2 or 3 entry blanks for the different categories.

Marv & I think will be too busy with Battalion trips.

Hope all are well & that you can take advantage of this writing opportunity.

Has History of Mrs. McKay been published?

Love from all - Dorothy
