My Dear Beautiful Mother,

In humility and love, I express to you <sup>(Sarna Blanche 35

I will never be able to thank you enough for everything you have done for me, your devoted unselfish love you have given me, your sacrifices for us all. You have been such a wonderful Mother and so understanding. I want you to know that I do appreciate all you have done for me, the things you have given me, not only worldly goods, and security, but also the influence of your noble beautiful spirit, your teachings, such a wonderful example you have given us. You have always been so understanding and kind to us, no matter what we did. Now I have enjoyed your companionship and love during all my life, especially when I have had such a struggle during these last several years. You have given me courage and faith. Your devotion to me and your devotion to God and his ideals I shall never forget. You are such a beautiful woman, not only are you such a beautiful person to look at but you are so beautiful in every way. It isn't possible for you to be more perfect and beautiful.

Mother darling, you have made a real success of yours. You have given us all strong bodies and minds. You have taught us right from wrong, presented the teachings of the gospel to us in our home and by seeing that we attend Sunday school, fast meeting, primary, religion class and other meetings.
