Dear Oliver

We hope 1982 brings the realization of even more dreams as you continue to contribute in so many areas your time talents and efforts.

Thanks for program + clipping you sent - very interesting.

Augusta Flake answered a letter of mine recently. Is kept busy in Snowflake on DVP + Senior Citizen committees. Hopes to return to SLC after cold weather leaves.

I suppose you heard of Velma W. Tenneip's accidental death & funeral in Soc. City Thurs. Mary said her son is in Kona + dau. at BYU Hawaii.

Shall I add newest births in S.L. area?

Darlene + Keith - 17 Dec '81 dau.

Melissa Leann and Evelyn + Paul had son Wm. Scott on 15 Jan '82.

It'll send these to Dorothy Williams when we get news of a mar. date in our family.

Since I don't know best time of wk. or day to visit you to check photos I may call some eve around 6pm to check.

Recently heard from Dot Roomesser (Hughes)

Her son Don has a dau. in her 2nd year at BYU
and a 2nd dau. plans to go there next Fall. (Tch)
Dorothy's dau. lives in Castleton, BC. ^(Dorothy's dau. lives in Castleton, BC.) Dot has joined a
Sen. Citizens group to get involved in classes & trips.
Goes to Church some with her sister Lil but seldom sees
any old friends. Another sister Bess lives in SLC.
As I remember Dot & Orisa have birthdates on 8th also.
Will wait for visit 'til any date you say, as you
have more deadline pressures.

Many Happy Returns of the 8th! A very
important one in my life. Thanks again for your
example, tolerance and many thoughtful gestures.
Love, Dorothy
