June 25/94

My dear

Sister this Birth
day 7th I concluded to
write you & send a
letter to you from B.B.
Clark daughter Sophia Sison
same things may interest
you we got home all
right we see Mary Douglas
in the City all well I was
so glad Lilia had got well
again. The Rains up
here spoiled most of the
hay - mine was put in shelter
on time. I received your
kind letter on my return home
also the account of the Temple
but much obliged. This leaves
us all well yours ever -
M.C. Clark
