

June the twenty seventh
1870

Go on dear pilgrims ^{below} while
in wisdoms paths of peace
determind nothing else to none
but Jesus richesness —

do like the Saviour follow him
he in this world has been
was oft reviled but like a ^{man} ~~lamb~~
did not revile again —

O take the pattern he has ^{en} given
seek first the things of worth
and learn the only way to heaven
its worship God on earth

Remember we must ^{pray} watch &
while journeying on the road
least we should fall out by the ^{ways}
and wound the cause of God —

when we have been there ten thousand
years shining has the sun
