but O I thank thee, for my body, that  
thou hast given me my strength &  
my work to do upon the earth, I have  
done my work, & through thy grace,  
been faithful to thee & thy cause.  
O thou God of thy salvation & the  
salvation of the sons of men, I thank  
thee that through thy grace I have kept  
my body pure & undefiled, O God C my  
Father comfort the hearts of my family  
& friends which are dear to me, I &  
shall only be separated from you for  
a little season, when in the morning of  
thy resurrection I shall arise without this  
fragile body, having an immortal one.  
Oh my Father a joy unspeakable  
fills my soul, & rapture fills my heart  
for the veil will soon be rent & I  
shall behold my companion and my  
children, & all the redeemed,  
I shall see them face to face,
