Dear Oliver -

In preparing life sketch on Father for Roundup I'd like to include current posterity count but would need your latest count.

Postcard enclosed. Also writing Virgil. You may send them together if you wish - before 28th. Merci beaucoup!

P.S. You may also return ^{prospective} Church News items + pictures if too involved to consider or if thought to be inappropriate.

Thanks for your detailed life-story helps thru the years. We're gleaming from them now!

Have you sent in Mother's to Pratt?

Love,
Dorothea

Hope all are well.
